Setting up the Pentair IF3 Pump

1. Download and install the *Pentair Pool* app on your smartphone. Create an account if you do not already have one.
2. Enable Bluetooth on your phone and grant the necessary permissions when prompted by the app.
3. Open the app and log in.
4. Navigate to the menu and select "Add Device."
5. Choose the option labeled *Intelliflo/Pro3 VSF*.
6. Select "Continue" in the app.
7. On the pump, press the "Connect" button until the light flashes blue.
8. Select "Continue" in the app again.
9. Look for the pump name in the app (it starts with *PNR.*) and select it.
10. Confirm pairing by selecting "Yes."
11. When prompted about Wi-Fi setup, choose "Skip for now."
12. Select "Continue," and assign the pump a nickname of your choice for easy identification and then SAVE.
13. Select "Continue" to complete the process.
